Despondency Due to Indigestion

"About three months ago when I was suffering from indigestion which caused headache and dizzy spells and made me feel tired and despondent, I began taking Chamberlain's Tablets," writes Mrs. Geo. Hon. Maceon, N. Y. "This medicine proved to be the very thing I needed, as one day's treatment relieved me greatly. I used two bottles of Chamberlain's Tablets and they rid me of this trouble." Obtainable everywhere.

SUNDAY SCHOOL CONVENTION

The convention of the Barry County Sunday School Association met at Exeter, August 21 and 22, 1915.

The convention was opened Saturday morning by the president, Prof. Ira C. Wilson. After the welcome address by J. C. Ragain, committees were appointed, homes assigned to visitors and announcements made, and the convention adjourned to meet at 1:30 p. m.

The afternoon session was indeed a very interesting meeting. Rev. J. F. King, of Monett, gave a Bible study, "Christ's Relation to the Child" in which he told in a very earnest manner how parents should teach their children of the Christ that they might know of Him from infancy and not delay this all-important question until the child is older.

During the general conference conducted by Miss Harriet Edna Beard of St. Louis, many questions were asked and discussed which were of great benefit to Sunday school workers.

"Best Plans for Teaching Juniors," by Mrs. Foster, of Seligman and "Best Plans for Teaching Young People," by Silas McQueen, of Wheaton, were both very interesting and profitable to all.

Miss Beard gave the advantage of teaching the children the graded lesson in her talk on "Grading the Schools," during the afternoon.

Saturday night the choir of Exeter furnished some special music, after which Miss Beard took the audience on a trip around the world in her address, "The Children of the World," giving the description of her trip to a World's Sunday School Convention in Zurich, Switzerland, telling of the needs of the gospel being taken to children in the foreign lands.

Sunday morning the different schools held their regular sessions, then all went to the Methodist church, where there was another very interesting session of the convention. Miss Beard gave an address, "The Stream," beginning away back in 1780 when Mr. Raikes organized the first Sunday school and told of the marvelous growth of the institution down to the present. She told how one school had joined with another until now they are banded together all over the world.

The afternoon and last session was indeed a busy and profitable one. Reports from committees were made, and election of officers for the coming year held. Prof. Ira C. Wilson of Cassville, was elected president; L. L. Davis, of Monett, vice president, and Miss Hazel Horn, Seligman, secretary and treasurer.

Prof. Wilson's talk on "Sunday School Equipment and Routine" was one which every Sunday school worker in the county should have heard, and it is hoped every one who did hear it will carry the plans home to their different schools, and Barry county will soon be one of the leading counties in Sunday school work in Missouri.

After another interesting talk by Miss Beard, "The Missionary Vision," the convention closed to meet next year at Butterfield, and let us hope and work that every Sunday school in the county may be represented at the next convention. The state convention will be held in St. Louis November 16-17-18. Begin now to plan to send a delegate.

An effort will be made to organize every township in the county the coming year.

Mrs. Pat Dewine and children returned home, Tuesday night, from Albuquerque, N. M., where they had spent the summer with Marie Dewine. Marie, who is there for her health, is improving nicely but did not come home.

W. W. Lehnhard went to Carthage, Wednesday, to attend the funeral of his father-in-law, Mr. Brinkerhoff.

KINGS PRAIRIE

Well, didn't we get a thirty hour rain? The ground became so soft a good many fields of corn fell down badly, but it will help late crops and pastures.

The prayer meeting last Wednesday night was rained out. Roger Matthews will lead this week.

Homer Collar and wife went to Exeter to visit his sister and from there to Purcell to visit other relatives before returning to their home in Colorado.

Mrs. Alice Jackson drove over with Miss Bessie McClanahan to visit Mrs. Stribling, Sunday. Miss McClanahan will return to Oklahoma soon where she has a position in a high school.

Rev. G. W. Qualls held the last quarterly conference last Saturday. On Sunday Rev. Mark Combs, of Purdy, occupied the pulpit. A. Smith and family and G. W. Qualls and wife were present, also a good congregation.

Nix has found a new way to catch mice. You see they got bad in the safe. He made room for a sheet of Tanglefoot and put some bait in the center of the paper. Next morning the old one and her whole family were tangled up in Tanglefoot. Try it.

E. R. Stribling and wife drove over to Mt. Joy last Saturday. There was an all day meeting. Quarterly conference was held in the afternoon, it being the closing of Rev. Francis Goodnight's work. Rev. Goodnight was chosen for another year.

Mr. Evans, our teacher, was on the Prairie making arrangements for a house.

Ralph Erickson has a silo just about completed.

Dan Brown, of Floresville, Tex., visited his nephews, Andrew Allen and Henry Jackson, last week.

ENDORSED AT HOME

Such Proof as This Should Convince Any Monett Citizen

The public endorsement of a local citizen is the best proof that can be produced. None better, none stronger can be had. When a man comes forward and testifies to his fellow-citizens, addresses his friends and neighbors, you may be sure he is thoroughly convinced or he would not do so. Telling one's experience when it is for the public good is an act of kindness that should be appreciated. The following statement given by a resident of Monett adds one more to the many cases of Home Endorsement which are being published about Doan's Kidney Pills. Read it.

T. Lynde, carpenter, Euclid Ave., Monett, says: "I had backache and kidney complaint and Doan's Kidney Pills removed the trouble so completely that there has been no serious attack since. Doan's Kidney Pills are reliable and I gladly endorse them."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Lynde had. Foster-Milburn Co., Props., Buffalo, N. Y.

BUTTERFIELD

John Marlow, who lives in the Gunter district, is ill with typhoid fever.

A Mr. Combs, of Springfield, was here this week visiting the family of his son. The family lives in the Mt. Pleasant neighborhood and the son has been in the Kansas wheat fields for some time. Mr. Combs said they were not related to the Combs of this county that he knew of.

We are informed that Dr. Freeland has rented the Harper cottage and will locate here in a few days.

It seems that bootleggers and dive keepers are the most fortunate of any set of crooks in obtaining leniency from manipulators of the law.

Will Riddle's folks prepared a little extra nice dinner for one day of the Cassville reunion as their nephew, Erl Prier, was to be married on that day. A large sized blue and white enamel dish pan was used in carrying the dinner which was left in their conveyance near the spring and when the noon hour arrived and they were thinking of tasting that wedding cake behold they found that some sneak thief had so completely relieved them of their fancied feast that nothing remained but the space it occupied, and in all probability Will and his family will never forget the dinner they didn't eat. People really ought to put a poison biscuit with their lunch and get rid of a few grub box thieves.

We hope the Knob correspondent does not envy our reputation as strawberry growers. Really we have been so busy growing strawberries that we had almost lost interest in baseball as we have not had a team or a game played here for several years till this season. Now we admire your ball players as they are nice boys and that is just the kind of a team that Butterfield likes to meet, and judging from the difference in the score of the two

games played, if Butterfield can spare enough time from the strawberry patches to get a little practice they will make the Knobbers score in the next game look like thirty cents with the three scratched off.

Quite a number of the children of the Butterfield Union Sunday school accompanied by several of the parents, delegates and others, making about forty in all, attended the Sunday school convention at Exeter, Sunday. The little folks gave a flag drill and furnished vocal music for the afternoon program which was greeted with hearty applause. The convention also showed their appreciation by voting almost unanimously for the 1916 convention to be held at Butterfield.

In matching a ball game for Sunday at this place between Butterfield and Wheaton the latter team tried to slip one over on the home bunch, but failed to find them napping and the game resulted in a score of 5 to 1 in favor of Butterfield. Another demonstration of what can be done when "John Barleycorn" is not in the line-up.

There will be an ice cream supper at this place Thursday night for the benefit of the ball boys.

Curtis Ferguson left Monday evening for Republic where he will make his home with his brother Ernest and finish his fourth year in high school. Isn't it a pity that we should be so non-progressive in school affairs as to allow other towns to draw our ambitious young people away from us, depriving us of their associations and influence in various ways, even in baseball. So long as we continue to allow this state of affairs to exist we can not hope for our enviable reputation as a strawberry center to prevent uncomplimentary remarks being made about us and our little town.
